

BRANIMIR STULIC – JOHNNY (the 60's generation)

Johnny's songs were about the Balkans.

...

True to himself
Johnny tapped into
undreamt dreams.

...

Am I singing.... or am I crying?

I can't figure out
how to run towards the destiny.
Johnny ran away.
Never to return.

...

Or is it just an impression?!

ENDLESS LOVE

In a flash
awareness
brought about enormous pain
when
he realised
that in her
he recognised
reflection
of himself.

TO BE MYSELF now and here

Reflection in the mirror
... Runs away from me...

Reflection in the mirror
...Remans within my sight...

I hang on. Here
Dissolved. By hope.

FINAL SOLUTION

How to cut Gordian knot
in B(&H)?

...an educated fellow tosses the question over and over again...

He repeats the question
time and time again
it doesn't tire him
it spans decades,
even centuries.

Bosnia and Herzegovina
is an answer in itself.

...

The question will die out
when B&H is wiped out.

BLUES FOR MY EX-COUNTRY/HOMELAND

I had a country.
They took it away.
They did not ask for permission.
The very same people who
now
want to establish
customs zones,
introduce joint parliament sitting
and start to exchange war criminals.
The very same
THEY
who caused the trouble in the first place.

...
I can only say
one word
COUNTRY/HOMELAND
One day you will realise
that
PEOPLE lived there for generations
and not... **NO, DON'T SHOOT !!**
